# STEP IT UP

**ATTENTION: Local Businesses • Individuals • Alumni  
OUR LOCAL SCHOOLS/ORGANIZATIONS NEED YOUR HELP!**

## HOW DOES IT WORK?

Many of the various sports teams from our local schools come out for training, tryouts and to participate in our Indoor Leagues and Tournaments here at the Tri City Sports Complex. These Junior High and High School teams wish they could do more but can't afford it. Many other schools would like to participate but cannot because of the lack of funds in their sports programs as well. TCSC will allocate your "Step It Up" hours to these schools which will allow these student athletes and coaches to take it to the next Level. TCSC will also offer hours to our local elementary schools so the younger kids can come and participate in fun physical activities as well. A detailed receipt will be sent to you immediately upon donation. You and/or your business will also receive an emailed receipt showing all of the groups that have benefited from your Step It Up donation at the time of their indoor sessions.
